### **Officer's Reports:**

**President's Report:** Peter Fanning thanked everyone for the cooperation and support given to himself personally and collectively to the Board to conduct the Business of The Savoy. Mr. Fanning also stated "that what makes his job as President easy is that the organization is strong. We have a physical balance sheet which lets us know that we are strong. We have a good fiscal relationship among ourselves. Everyone is always timely in getting your quarterly assessments in. I don't think we have ever had to send out a notice of any sort to remind anyone of this. That is really great, and that is what makes us a strong organization. But there is also another balance sheet we have in this community and that is the social/emotional balance sheet that we see in this community. The caringness, of each of you for other people in our Association makes this a very unique Condominium Association. It is also one that its strength grows from the people. You care about people, you recognize when someone is having a tough time and without being asked you take it upon yourselves to help that person out or express your desire to do so, and that is unusual. It is alright to get involved in other peoples lives when they need to have you around. This is a tremendously unique Association and I get to see 35 others in the downtown occasionally and I get to listen to the complaints that they have with their Associations and this is something that can't be measured in dollars and cents. It is a wonderful community and I certainly will and I know Dina will miss you personally and miss the interaction that we have every day in this Association".

**Treasurer's Report:** Nothing to report at this time.

There were only two owners that submitted their intent to run for the Board. The owners running for the Board are Leon Ellin and Jim Heskett.
