Call to Order:

The Savoy on Palm Board of Directors Meeting was held on February 13, 2025 on the Third Floor of The Savoy on Palm Condominium at 401 South Palm Ave, Sarasota, Florida 34236. The meeting was called to order by Richard Rivera at 3:03 p.m.

Determination of a Quorum:

Board Members present were Richard Rivera, Jim Heskett, Bruce Blackmore, Brenda Griffiths, and Abby Esformes. It was confirmed that proper proof of notice of the meeting had been conveyed.

Approval of Minutes: 11/25/2024 Board Meeting

1. **MOTION** – (Jim Heskett) to approve the November 25, 2024 Board Meeting minutes. The motion was seconded by Abby Esformes. The motion passed unanimously.

President's Report:

Mr. Rivera gave a brief recap on the informational meeting that was held on Monday (2/10/24) pertaining to possible future development on Palm Ave. He also stated that he would like to discuss this further under new business and open the item up for discussion amongst the Board and owners in attendance.

Building Manager's Report: Bill Veal presented the attached report.

Facilities Committee: Brenda Griffiths presented the attached report

Ms. Griffiths also requested that the Board approve an expense not to exceed \$2,000 to fund the party for the owners.

Richard Rivera mentioned that in the past we had an active social committee that hosted at least two events per year, sometimes more, typically in the spring and fall, and he feels that this is a great way for the owners in the building to get together and get to know each other.

2. **MOTION** – (Abby Esformes) to approve an expense not to exceed \$2,000 for owner party. Motion seconded by Brenda Griffiths. After more discussion, the motion passed unanimously.

There was also discussion about the donation and placement of two pillows on the lobby sofas. There were mixed opinions from the Board and owners in attendance, with some that liked the addition of the pillows, and some that did not. The Board was in agreeance that the pillows should be removed, returned to the owner, and items should not be donated and/or placed in the common areas of the building unless approved in advance by the Board.

Treasurer's Report:

Bruce Blackmore reported that the Association ended 2024 with a surplus of about \$32k and earned approximately \$49k in 2024 on Reserve Investments. He also mentioned that the income taxes paid out exceed budget due to the amount of interest earned.

Old Business: None at this time.

New Business:

Richard Rivera provided more information regarding the meeting that was held on Monday 2/10/25 regarding possible future development projects on Palm Ave.

Board members and owners discussed the future projects that were provided by the city of Sarasota.

Mr. Rivera stated that he would like to try to recruit a few volunteers in the building to form a committee that can follow and stay informed on the possible future development projects and report back to the Board with recommendations of action if necessary.

Owner Comments:

Fred Doery mentioned that he had heard that the roof will not be insured in the future. Bill Veal questioned where he had heard this and said he would research it further. Mr. Doery stated it had been in an article he was reading.

Adjournment: There being no further business, the meeting was adjourned at 3:47 p.m.

Landscape Damage (UPDATE) –

All storm damaged landscaping is scheduled for repair on March 10th. This includes the removal of the tree stump, replacement of dead sod, new landscaping in place of the fallen tree, two new podocarpus in the front pots by lobby.

Our equipment breakdown policy has approved the insurance claim for the repair of the elevator. They mailed a check on Tuesday 2/11/25 for 50% of the repair cost minus the deductible (\$30,627). Once the repairs are complete, I will forward the final invoices, and they will reimburse the remaining 50%. Total cost of repair is \$71,254, insurance is going to reimburse \$61,254.

Fire Sprinkler System Testing – The annual testing was completed on 2/7/25, there were a few minor deficiencies noted, but nothing major. I am waiting for the final report and estimate for the repairs.
